Sir William des Voux had been in his feet towards the door and his head towards communication with the Secretary of State for the bath. I did not go into the bathroom. the Colonies and with Sir Cecil Smith, Governor saw through the partly opened doorway that of the Strait Settlements, and a well-known man something had happened and I came down and The Straits Times says:-The labour difficulty to old Hongkong residents. He felt quite sure sent for Dr. Cowie. I do not think Mr. Harton that these experienced statesmen had given went into the room. Dr. Cowie arrived in about earnest attention to this question, a question five minutes. I did not go upstairs again:

Sunday, that was, the working of cargo in port. | Charles Stewart Sharpe, clark to Messra He knew a great many of these foremen in the Gibb, Livingston & Co. said-I sit in the same Dook Company and he had asked them their office as the deceased. I reached the office about rather forego the pay and have their Sunday blotting pad on the desk in front of the chair. pressed themselves in favour of having a with a view of finding out what had led the decessing for this extra pay from their owners officers, upstairs for about five minutes while Dr. similar position. He did not advise them to ask I then-returned—to-the office. I found have a chance of expressing his opinion. Should The circulars and letters hat not been opened, their extra pay for Sunday labour be granted it the telegrams had. The telegram on the blotmoney but he honestly believed they would business telegram. There was nothing in it to get more free Sundays (Applause), because it suggest any reason for the act of the deceased cessation of Sunday labour they would earn the ness. It related to an offer of some coals in the by this unnecessary Sunday labour in the Har- first word was "Referring to our telegram of." might be presumptuous on his part to say so, but mission. The word as written was "sories." Government of this Colony passed an Act stop. that he did not know the contents. He was w would consider the question and might be perience of this Colony, which extended now lover some thirty-five years, he had never seen any Act which had been of lasting benefit to the Chinese that had not been met by them with the plated by the Government they would have an utery from the entire Chinese community that a would hear that every shopkeeper and workman would be robbed of 52 days' pay out of each year. He had heard these wailings and predictions of The strike has now extended to the was stokers, I rain over every innovation that had been forced upon the Chinese and yet after a time when they had had some experience of its working they themselves had come to look upon it with favour The fleet representing the enemy under the lable eyes. As an example he would instance what thre nearly the whole of the Chinese houses in the western part of the town were burnt to the ground. This was of course a great calamity, were not insured—in those days they did not understand insurance as well as they did now-but great as was that calamity, it was not so great to their minds as the introduction of a law forcing them to build their houses after a certain manner and style. There was a grea ontory against this law and many were the rumours as to what would happen if it were carried into effect. Yet the law was passed, the houses were built according to its provisions and after a time the chinese began to think that the introduction of the law was a very good thing. He remembered another instance in which not only was the same cry of atter ruin raised by the Chinese but also by nine-tenths of the Europeans, and that was when Sir Richard Macdonald passed and put into force in this Colony the Stamp Act. When Sir Richard Macdonald came to this Colony as Governo the finances of the Colony were in a most de plorable condition, in fact the Colony was on the verge of bankruptov. Sir Richard Mac donald said it was necessary to raise a revenue and he introduced the Stamp Act for that pur

pose. As he had said, there was a great outery both-frem Chinese and Europeans against the

lioved after it had been in working for some time_that every Chinese workman would come to appreciate his day of rest just as much as the workingmandid at home. (Applause). No amount of tact or persuasion would ever lead the Chinese to believe this and therefore the passing of a law became necessary, and after the operation of such a law for a year they would find him cleaner, and healthier, and stronger, and one The Persident prefaced his remarks by all day's rest out of seven would make them all luding to the earnest work that had been done healthier and stronger men, and far better able for them by the Rev. A. G. Goldsmith with the to do the work that fell to their lot. (Appleuse). view of bringing about a cessation of Sunday He trusted the day was not far distant when in abour in the Harbone. It might affect him favourably or unfavourably. Had the answer been given immediately, it would have been expected to reach iereon Thursday morning, the day before this occorred. No such telegram arrived on Thursday

morning. The telegram which was despatched contained matter which caused the deceased good desl of auxiety. I was in his confidence. He talked to me a good deal about it. It appeared to weigh very heavily on his mind. lo not think he went down apecially early that morning. Tt was his usual time. I know of nothing files that was weighing on this mind except this telegram. He had hea senior partner in Hongkong since about last November. Prior to that he was managing partner in Foochow. That business related chiefly to tea, and was not nearly so complicated as that in Hongkong. The business here was new to him He was of very excitable temperament in business matters. I have always had the impression that he worried himself unnecessarily. He used t complain of feeling out of sorts sometimes which I put down to the general worry of business. Latterly, this particular worry had nore than usually upset him. The effect this worry had was to make him silent and depressed. I have heard him say that it affected his sleep. I think it is quite possible that his anxiety concerning the telegram expected was so great that seeing this was from T. A. Gibb & Co., he was afraid. to finish translating it. Whatever troubles he had were not troubles reflecting on himself personally. I saw him last alive the previous evenng about 6.30. I was walking with him and Wr. Layton from the terminus of the tramway at the Peak. I left him and Mr. Layton a Craigieburu. He was discussing business matters the whole way in connection with this affair. He was in a very depressed mood did not say anything which would lead mebelieve that he would commit suicide. I have examined the other papers that were on the desk They have no bearing whatever on this case. have taken possession of his things in his room at the Peak. I have examined them, but I have found no hing whatever bearing on this matter. I have known the deceased personally for about fourteen years. His age at the time of his death. was 46. I have not noticed anything peculiar

SEIZURE OF PREPARED OPIUM AT SINGAPORE ON A STEAMER FROM HONGKONG.

In the Third Magistrate's Court at Singapore the 27th tilt: Claus Johann Eblers, master of the German steamer Kriemhild, was charged :--That you the said Claus Johann Ehlers on or about the 24th day of August, 1890, did import chandu, to wit 5,000 tasls, in breach of Section of the Force bill. 7 Ordinance 1 of 1870. That you on or about the 26th day of August, 1890, had in your estody and control within the Settlement of Singapore a quantity, of chandu, to wit .000 tacls, of the value of \$11,000, purchased from the Opinin Farmer of Settlement for the current year, and breach of Section 13 Ordinance 4 of 1970." The opium was manifested from Hongkong Hamburg. The defendant was fined in two sums of \$300. Representations were afterwards made by the steamer's agents in Singapore to H. E. the Acting-Governor, and resulted in H E: reducing the fines to \$25, but he declined to interfers with the decision of the magistrate in confiscating the opinm, which therefore now becomes the absolute property of the Singapore

Opium Farmer.

The steamer Kriemhild while on a voyage spore last Sunday, the 24th Angust, and anchored n the roads. According to what we (Straits) Times) have been informed the Opium Farmer to the police, who, it is alleged, declined to his death interfere or attempt a seizure until a warrant was obtained. This necessary document was soon produced and on Tuesday ten cases of opium were seized on board the Kriemhild. Captain Claus Johann Ehlers was brought before Mr. and secondly, with having in his custody the said chandu the same not having been purchased from the Onium Farmer, an offence under Section 13 Ordinance 4 of 1870 Upon both charges the captain was convicted and fined in each case the sum of \$300. altogether \$600, and the magistrate ordered the opium or chandu to be confiscated. Mr. Sohst, as agent for the steamer, with his legal advisor, Mr. Sisson, thinking the decision of the magistrate to be rather severe, had a personal interview with H. E. the Acting-Governor, and laid the whole facts of the case before him, and asked for some repeal of the received a copy of the Port Rules, and even, if circumstances could not by held to blame. Sir tion, and promised that he would give the matir his favourable consideration. The application was duly sent in, and in reply thereto, we of the fine from \$600 to \$25, but the opium is to he confiscated. Mr. Sohst informed our re presentative that the Acting Governor considered the master and the Hongkong agents of the Kriemhild free of all suspicion of fraud was in fault for not reporting the opium to the port authorities. Ignorance of the Port Rules could hardly be submitted as an excuse, for if he was not acquainted with the from his agents. However, H. E. thought the world, he is not credited with being a man of case would be met by reducing the penalty to \$25. With reference to the confiscation it was pointed out that the chandu appeared in the necessarily contraband, whereas, when the cases Baldwin Theatre as Sophie in "Led Astray tained chandu, or prepared opium, which is contraband, and therefore the confiscation would stand. It is also notified, no chandu can be carried through the port without the sauction of the Opium Farmer; and also that owing to the objection raised by the Hongkong Farmer. chandu cannot be shipped direct from Singapore to San Francisco via Hongkong. Opium of course is in a different case. --

THE AMERICAN MAIL.

The O. & O. steamer Belgic, with the American mail of the 2th ult., arrived here on Saturtracted from our San Francisco files :-A TOTAL CHINESE EXCLUSION BILL

WASHINGTON 5th August. Representative Morrow of California, from the Committee on Foreign Affairs, to-day reported to the House his Bill to absolutely prohibit the coming of Chinese persons into the United States, whether subjects of the Chinese Empire or otherwise. The Bill proposes to exclude Chinese even the e who may hereafter leave the United States and attempt to return; excepting diplomatic and consular officers and commercial agents, and the coming of Chinese to the United States for transit is expressly prohibited. A fine of \$500 for each Chinese brought into the United States is provided for miralty House he was slightly struck on the the punishment of vessel masters bringing them. and the vessels are to be subject to forfeiture. Provision is also made for the punishment of persons aiding Chinese to enter the United States by land or otherwise, and for the removal of Chinese found unlawfully in the country. It was some what fatigued from the ardness day is to be further provided that Chinese shall not in Portsmouth. He arose this morning later than be admitted to citizenship, and all conflicting usual, drove from Osborne House to Cowes treaty provisious shall be abrogated.

the history of past legislation, says the Act of ates, but who claimed that they were in the which started for Heligoland at 11 o'clock tocountry at the date of the last treaty. These night. were permitted to land under writs of habeas corpus issued by the courts. The Act of October , 1888, provided against the return of labourers. but did not provide against the coming of Chinese labourers who were never in the United States. The Bill now under consideration proposes the settlement of that question. It makes exclusion permanent and thoroughly effective. The report refers to the disposition shown to reopen the question of the propriety of exclusion, based on the statement that Chinese are same time firing a salute. After taking Foreign Secretary, in response to a question, Green Island Cement never found in prisons or poorhouses and are luncheon, the Emperor departed at 3.30 o'clock stated that the Pope, in receiving the Duke of H.
